

▲ **Colonial Cool** Cross-pollinating colonial and contemporary, The Robertson Small Hotel roots itself in a 100-year-old history but takes pride in the style-conscious times of today. This five-star boutique hotel has everything the comfort seeker desires, translating its chic aesthetic through small luxuries and shameless attention to detail. It's fitting then that the hotel's restaurant is none other than Reuben's at the Robertson, a hip mini version of the celebrated original. ■ **The Robertson Small Hotel, 58 van Reenen Street, Robertson; 023 626 7200**
